

## Learners

- Review our curricula to see what courses you will be enrolled in and how long your training will take.

## Study Learning Administrators

- Review the list of courses contained in each curriculum to make the best selection when mapping training to study roles.
- Curricula shown in **Blue** are specifically designed to map to **CDMS Standard Study Roles**.
- Curricula shown in **Grey** are provided to assign to roles as required.
- Curricula shown in **Orange** are provided to allow flexibility when mapping training to your **Custom Study Roles**.

**Note:** Time estimates are based on historical completion data and do not include optional activities. Individual learners may complete training at their own pace.
